Valleyfield, January the 4th./62

Mr. S.R. Morss
R-3 Bradford
Mass.

Dear Mr. Morss,

It's a pleasure for us to comfirm your reception of décember 25/61.

At this moment, we haved 1 kw. output and just 40% modulation, because a trouble in modulation transformer.

At the end of January, we've supposed haved a check with Americain DXers. I will send a letter for confirm when, if you are interrested to joined us.

I remain,

P.Trepanier, tech.
